Ramblers Club

Affiliated to HF Holidays Limited

Once again the weather conspired to prevent our planned walk on 15th February when Storm Dennis came through the area. The good news is that we now have a full programme for the remainder of the year and this shown below.

Our AGM was held on 10th February with a good attendance at the St Leonards Centre. After five years of sterling service Jonathan Rouse stepped down from the office of Chair and received the thanks of the meeting. Sandra Jamieson, a committee member since February 2014, also stood down and was presented with a bouquet of flowers for her excellent work as the walk diary secretary and the social events organiser over the last six years.

Peter Shead was elected as the new Chair and we welcome two new committee members Pauline Haynes and Lynn Martin. We are looking forward to an exciting year with the planned walks and social events planned for the year.
