Sunday 16th July, 8 ramblers set off from Vine Hannington for a 5.6 mile circular walk. On Cottingham Hill there was a friendly dog who decided to join us. We turned left at Wireless mast and headed for Wayfarers Way with the dog showing us the way, then following Wayfarers to North Oakley, to Vine Hannington for a pint/lunch. ...the dog made a beeline for the pub kitchen, was collared, and the owner contacted. We all assumed she made a habit of doing this walk, but in fact the worried owner said she had never done this before!

Thursday 27th July 8 members of ORC joined our 6 mile walk from Hannington. It was a drizzly and overcast day, but this didn't dampen our spirits. We set off from Hannington towards the church, following the footpath initially towards Cottingham Hill

and the mast, but before reaching this, we turned right and walked to Plantation Hill, then we headed to Ibworth, finally returning to Hannington and the Vine pub via Warren Bottom Copse . We had a lovely lunch at the pub, the team were very welcoming, plus the food was excellent. *Leader Corrine*

Friday 4th August, Kingsclere Gallops eight members walked in the evening sunlight over the Gallops and back from White Hill, 3.5 miles in all (see pic). Then beverages at Bel and Dragon. *Leaders Pauline & Julie*
