

OAKLEY RAMBLERS

Affiliated to HF Holidays Limited

The wettest March in forty years was a challenge for British walkers!
However twelve hardy Oakley Ramblers found a sunny day between the storms
to enjoy a five mile walk in the countryside.

They set off from the aptly named Mucklands Lane through fields & woodland
paths taking in Puddles & Glorious Mud along the way.
There was a brief stop in pretty Bentworth village before heading down into
Lower Wield for a much enjoyed lunch at the Yew Tree Pub.

We Welcome new walkers!
