

Evening Ramble Sherborne St John Friday 12th July 2024

It was a fine evening during Wimbledon, also the day before Euros Football Final.

Five walkers met at Oakley schools lay-by and drove to Sherborne St John, where one more walker joined us. From there a circular 3.5 mile walk through fields and woods, climbing over stiles, going along paths edged with tall grasses and wild flowers, sometimes brambles and overhanging trees. Also a few muddy patches and a field of curious cows

An enjoyable summer evening walk with drinks in garden at Swan Inn afterwards.
